

GUESS WHO?

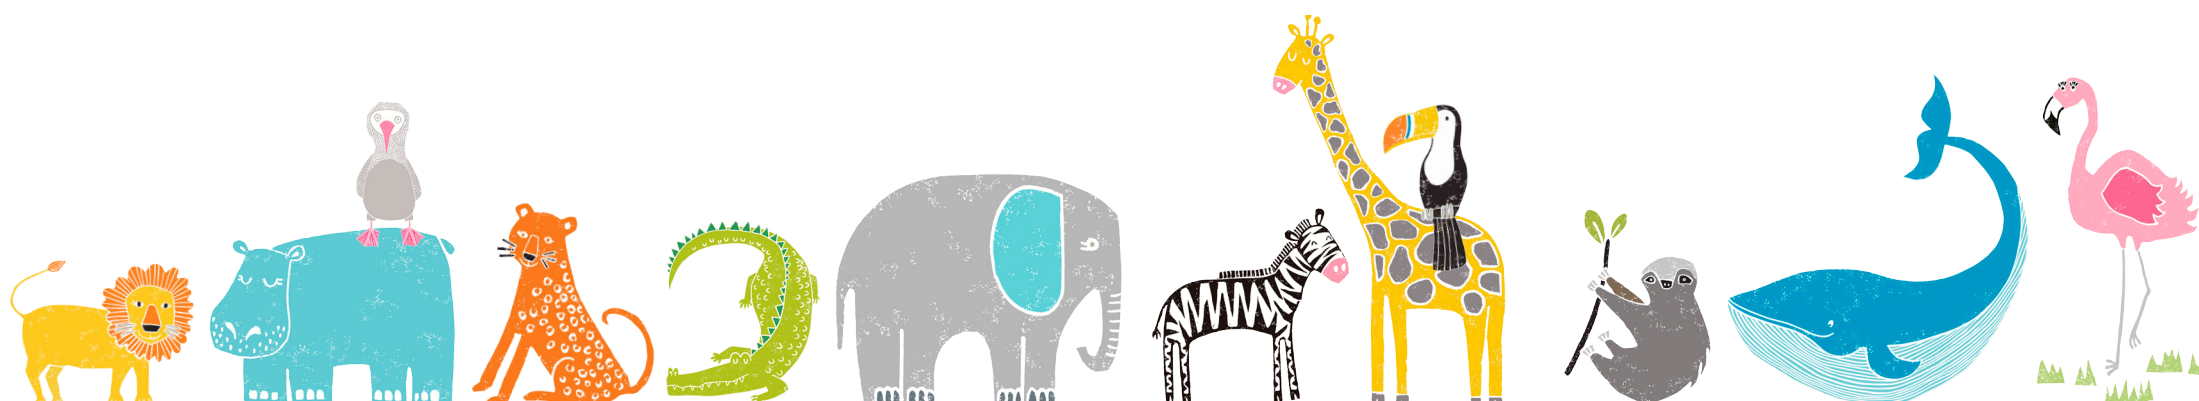

Very exciting news! British brand SCION, known for its trend-savvy yet affordable designs, has branched out to produce its first range of fabrics and wallcoverings designed specifically for kids – and those young at heart! Over the last three years, Scion has established a reputation for cutting-edge designs with enduring appeal and intrinsic individuality. 'Fun, young and funky' is at the heart of everything Scion produces...and the Guess Who? collection is certainly no exception!

All the fun of the zoo, and a trip to the salon too, Guess Who? packs in motifs from the best of a day out with the kids. Light hearted and imaginative, this collection celebrates being a fun-loving kid, with its abundance of whimsical animals, bold stripes, playful patterns and funky florals available in co-ordinating fabrics and wallpapers. A mouth-watering jelly bean colour palette sets the tone for a tropical adventure!

Before any good day out, it's absolutely essential for a self-respecting young lady to style her hair and add accessories. The gorgeous 'Hello Dolly' features all the hairstyles à la mode, whilst the 'Toodle Pip' voile is just perfect for decorating a young fashionista's dressing room. Team it with the finger-painted 'Lots of Dots' wallpaper to give a handcrafted appearance.

Then it's off to the zoo and if it's animals that grab your little one's attention, 'Animal Magic' is a gathering of labelled zoo animals in funky colours. 'Terry Toucan', 'Animal Magic' is a gathering of labelled zoo animals in funky colours. 'Terry Toucan', 'Calmer Chameleon', 'Felicity Flamingo' and 'Boobie Bird' highlight the zoo's more exotic creatures in playful colours, whilst in the butterfly enclosure you'll find the stunning 'Flutterby' appliqué and the jolly 'Madame Butterfly' wallpaper and fabric designs. Jump aboard the multi-coloured 'Up Periscope' design and spot 'Whale of a Time' splashing around and 'In A While Crocodile' lurking in the shade. Not forgetting to invite along the infamous 'Mr Fox', who is now available in a weave, and his cute companion 'Little Fox' in an endearing wallpaper and fabric.

No day out would be complete without a rain shower - but if only they were like the cheery 'April Showers' and 'Splish Splash' fabrics and wallpapers, with their delightful rainbow-coloured raindrops. Add in the 'Letters Play' motif (educational and fun!), 'Blooming Lovely' with its funky retro floral cottons and the deckchair inspired 'Jelly Tot Stripe' wallpaper, and you're set for a day to remember!
