CLARKE & CLARKE

AQUEOUS PERFORMANCE

Introducing Aqueous. Featuring a range of five performance easy living designs, patterns include chenille basket weaves, smart geometric blocks and an eclectic mix all working to create an easy living vibe. This collection of rustically soft textured patterns incorporates nature-inspired colour palettes, Aqueous balances beautiful designs with exceptional high endurance.

All designs from the Aqueous collection are made with 100% Recycled FR polyester, where no back coating is required and can be directly applied to upholstery. All designs can be wiped clean, and feature a Carbon 0 soil and stain coating, making it ideal for contract use, hospitality spaces, as well as the home.

Balancing its performance credentials, Aqueous is thoughtfully designed to be a timeless go to collection. Each design can blend seamlessly into a space, with colourways, ranging in soft neutrals, pebbles, blush, dove greys and more that exude a soothing sense of calm, and serenity.

INTEGER

A beautiful, checker-look weave, Integer is made of 100% recycled yarns and is fire retardant, meaning you do not need to back coat it, you can simply apply it straight whichever upholstery project you are working on. Coming in a range of stunning nature-inspired colourways, Integer is a high performing fabric with a beautiful rustic texture that will seamlessly fit into a variety of interior schemes.

ABOUT CLARKE & CLARKE

Founded in 2009 as the go-to design house defining transitional style in home interiors, Clarke & Clarke offers an eclectic yet distinctive collection of fabrics, wallpapers and home accessories. Born out of a passion for creating beautiful, expressive homes, Clarke & Clarke's spirit and British flair deliver an inclusive sense of glamour for the style conscious. Focusing on luxurious textures and bold colour combinations, Clarke & Clarke's aesthetic runs from whimsical to glamorous and maximalist to sleek, for polished looks embodying British eclecticism.
